Reader's Opinions

Friday, 5th December, 2014The book Midwinterblood has seven different parts or seven different moon stories. There is the Flower Moon which is on June 2037, the Hay Moon on July 2011, the Grain Moon on August 1944, the Fruit Moon on september 1902, the Hunter's Moon on October 1848, the Snow Moon in the Tenth Century and the Blood Moon...

Really good book. Not used to reading slight horror parts so I was a little uneasy but over all really glad I read it because the love that is shown is not just the typical romantic love but also that of family, friends, and forbidden lovers.
