

THE GRAND FAILURE: THE BIRTH AND DEATH OF COMMUNISM IN THE TWENTIETH CENTURY

The Grand Failure: The Birth and Death of Communism in the Twentieth Century is Zbigniew Brzezinski's prescient analysis of "the terminal crisis of communism." One of the most astute foreign policy experts of our time, Brzezinski argues that the advent of communism was a critical phenomenon in the history of the century. From the Cold War, to the building of the Berlin Wall, Sputnik, the Vietnam War, and the...

of all the predictions Brzezinski makes in this book the one that looks us straight in the eye is the Chinese model of communism and how he correctly predicted it as the one to survive. I don;t think he could afford to give away the game regarding Afghanistan wrt USSR falling but he makes it clear they were going down.If you are a Leninist...
