

OUTLIERS: THE STORY OF SUCCESS

There is a story that is usually told about extremely successful people, a story that focuses on intelligence and ambition. Gladwell argues that the true story of success is very different, and that if we want to understand how some people thrive, we should spend more time looking around them-at such things as their family, their birthplace, or even their birth date. And in revealing that hidden...

Peek Inside the Book

It's not how much money we make that ultimately makes us happy between nine and five. It's whether or not our work fulfills us. Being a teacher is meaningful. Malcolm Gladwell, Outliers: The Story of Success //

Reader's Opinions

Interesting and anecdotal book on how success occurs and how society in general may offer broader opportunities for achievement. I read Outliers: The Story of Success for a real-life book discussion at work. This was a highly engaging read that contained anecdotal information to come to some conclusion on how "outliers" became successful....
