

THE 12TH PLANET

Over the years, startling evidence has been unearthed, challenging established notions of the origins of Earth and life on it, and suggesting the existence of a superior race of beings who once inhabited our world. The product of thirty years of intensive research, The 12th Planet is the first book in Zecharia Sitchin's prophetic Earth Chronicles series - a revolutionary body of work that offers indisputable documentary...

And Kush begot Nimrod; He was first to be a Hero in the Land.... And the beginning of his kingdom: Babel and Erech and Akkad. Zecharia Sitchin, The 12th Planet //

Reader's Opinions

If you have never read this book, go for it. It is a very interesting read if you like history and ancient myths and legends. You will question what you have believed all your life and will search out the authors other books. I could not get enough. The more I read the more I had to know. Your mind will adsorb this like a sponge...
