

THE READER IS WARNED

"The basis of the idea," said Pennik, "is roughly that thought has a physical force like sound. Notes in sound can shatter glass or even kill a man. The same applies to thought."...Sam Constable entered the conservatory. "You have probably heard what happened - accident to the car, servants in the hospital. You will be lucky to get anything to eat at all tonight." "I will get you a meal if you like," offered Pennik. Sam Constable...
