Reader's Opinions

I did find Captain No Beard and the Aurora Borealis to be a charming, engaging tale about doing what's right. The pages are full of delightful colorful pictures and a story line kids will enjoy. I'll be reading this to my Grandchildren many times I'm sure..I was gifted this delightful book for my honest opinion which I have given.....

I thought this book was cute. I loved the hidden message about knowing right from wrong, confronting and informing of your stance against stealing and then using your imagination. Well done!
